

Scavenger Hunt in the Park

Don't pick any flowers.....
 and **don't fall in to the lake!**

- Record a **bird** singing
- Photograph/film a **duck** on the water
- How many different **birds** can you find? Name them

Find

- a **seed** spread by the **wind**
- a **seed** spread by an **animal**
- a piece of **fur**
- a **feather**

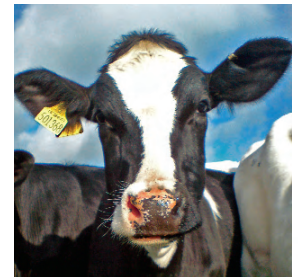

- Collect different **materials** with different **textures**. Think of a different word to **describe** each texture

- Make a rainbow of colours
- How many **pink** things can you find?

- How many **cattle** are in the **meadow** next to the river?
- What is the **wire** by the river doing?

- Make a palette of

shades of green

as you go round the park

- Measure **round** the large **oak** at the top of the meadow using your shoes (chest high)

- What is the name of the **road** at the eastern entrance to the park?
- What are the **names of the lakes** in the park?

- Measure an **ash** tree

- How **big** is the park?

- What is the **name of the river** running to the south of the park?

- What are visitors to the park **advised not to do**?

- How **much** is the suggested donation for **car parking**?
